Dear Mr. Heinze:

The Commissioners of Revenue and Natural Resources of the State of Alaska have received the Application filed on November 30, 2007, by the Alaska Natural Gas Development Authority ("ANGDA") in response to the Request for Applications ("RFA") for a license under the Alaska Gasline Inducements Act ("AGIA").

Under AS 43.90.140(b) and Section 1.13.10 of the RFA, the Commissioners request that ANGDA provide the additional clarifying information addressed in the attachment to this letter.

ANGDA must submit the additional clarifying information, in writing and signed by an official with authority to bind ANGDA, at the address below by 5:00 PM AST on December 19, 2007.

Paper copies must be submitted to:
AGIA License Office
State of Alaska, Dept of Revenue
550 West 7th Ave. Suite 1820
Anchorage, AK 99501

E-mails or Fax copies must be submitted to:
Mr. Chris Rutz
E-mail: crutz@aidea.org
Facsimile: 907-771-3930

Information submitted by e-mail or facsimile must be followed with a paper copy mailed or delivered to the address above. We recommend that you contact Mr. Chris Rutz at 907-771-3015, to confirm timely receipt of the information or if you have other questions concerning delivery of the requested information.

Sincerely,

Marty Rutherford, Deputy Commissioner
Alaska Department of Natural Resources

AGIA License Office 550 West 7th Avenue, Suite 1820 Anchorage, Alaska 99501

Request for Additional Clarifying Information, AS 43.90.140(b)

Confidentiality:

Applicant may request that Proprietary or Trade Secret information submitted in response to this request for additional information be kept confidential. As set out in RFA Section 1.13.6, Applicant must mark each page containing information that it requests to be kept confidential, include a copy of the page with the Proprietary or Trade Secret information redacted, and provide a brief non-confidential summary for each section for which the Applicant seeks confidentiality (AS 43.90.160).

Request:

1. Please identify what Section of the Application contains a description of a “natural gas pipeline project and related facilities for transporting natural gas from the North Slope to market”, as required by Section 2 of the RFA.
