## Office of the Municipal Clerk

March 14, 2007

The Honorable Sarah Palin  
Governor  
State of Alaska  
550 W 7<sup>th</sup> Avenue, Ste. 1700  
Anchorage, AK 99501

Dear Governor Palin:

At the March 13 regular meeting, the Anchorage Assembly passed and approved a resolution supporting your Alaska Gas Inducement Act (AGIA). A copy of the resolution, **AR NO. 2007-69, A RESOLUTION OF THE ANCHORAGE ASSEMBLY SUPPORTING PASSAGE OF THE ALASKA GASLINE INDUCEMENT ACT IN ORDER TO ENCOURAGE THE EXPEDITED DEVELOPMENT OF ALASKA'S NATURAL GAS RESOURCES**, is enclosed.

Please let me know if there is any other way my office can assist you with this.

Sincerely,

Barbara E. Gruenstein  
Municipal Clerk

ANCHORAGE, ALASKA  
AR NO. 2007-69

**A RESOLUTION OF THE ANCHORAGE MUNICIPAL ASSEMBLY SUPPORTING  
PASSAGE OF THE ALASKA GASLINE INDUCEMENT ACT IN ORDER TO ENCOURAGE  
THE EXPEDITED DEVELOPMENT OF ALASKA'S NATURAL GAS RESOURCES**

WHEREAS, an appropriate contribution by the State of Alaska toward the cost of obtaining necessary permits and regulatory approvals, promulgation of regulations that provide predictability in royalty value and the exercise of the State's right to receive its royalty share in kind or in cash, production tax incentives, and appointment of a State Pipeline Coordinator to facilitate prompt State permitting are likely to induce qualified firms to build an Alaska Gas Pipeline; and

WHEREAS, Alaska requires a clear and definite timetable and commitment for construction of a gas pipeline; and

WHEREAS, multiple off-take points in Alaska should be provided to assure the availability of a reliable source of gas to meet Alaska's current needs and for the state's future development, and "distance-sensitive" rates should apply to delivery of gas in Alaska; and

WHEREAS, delivery of the gas at the highest wellhead price requires agreement on tariff rates that ensure the lowest reasonable cost for shipment of the gas from the North Slope; and

WHEREAS, a construction project of this magnitude in Alaska requires a local project headquarters and hiring offices in Alaska to hire qualified Alaskans to construct the gas pipeline and related facilities; and

WHEREAS, the Alaska Gas Inducement Act (AGIA) introduced by Governor Sarah Palin offers inducements reasonably calculated to bring about the expedited development of Alaska's natural gas resources and would meet the project requirements described above;

NOW THEREFORE BE IT RESOLVED:

**Sec. 1:** In order to promote the expedited development of Alaska's resources, the Anchorage Assembly supports passage of the Alaska Gasline Inducement Act offered by Governor Sarah Palin.

**Sec. 2:** Copies of this resolution shall be forwarded to the Governor, the Lt. Governor, and to all members of the 25th Legislature.

**Sec. 3:** This resolution shall take effect upon passage and approval by the Assembly.

PASSED AND APPROVED by the Anchorage Assembly this 13<sup>th</sup> day of March, 2007.

  
Chair
