There is no other funding needed

*Explanation of Other Funds:**Private fund raising is occurring for this project via the Alaska Community Foundation and the West High School Alumni Association.***Detailed Project Description and Justification:**

This is an education priority. This theater within Anchorage's first high school has recently received new seats and a stage after intensive fund raising efforts by the Anchorage Community Foundation and the West High School Alumni Association. There is a lot of work to be done on the project, however, to finish putting together a fully functional and completely refurbished theater that will serve the needs of the school and surrounding community. The remaining funding need for complete restoration is the theater's rigging, a project that will cost at least \$100,000.

**Project Timeline:**

If approved the funding would be used immediately for the on-going restoration project.

**Entity Responsible for the Ongoing Operation and Maintenance of this Project:**

The Alaska Community Foundation
