Memorandum to Representative Craig Johnson

Dear Representative Johnson,

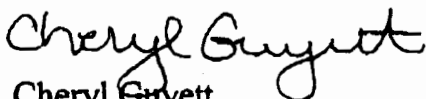

I appreciate your support for the education of the youth of Alaska. Dimond High School, like all Alaska schools, struggles to meet the increasing costs with a budget that is not inflation-proofed.

Some specific moderate budget needs are:

- Texts and supplies to support the expansion of Advanced Placement and other rigorous courses
(\$20,000)
- Teacher training for teachers new to Advanced Placement coursework
(\$15,000)
- Replace opaque windows with clear glass panes to bring natural light into the library
(\$15,000)

The Dimond PTSA supports this request and would be available to serve as the recipient of the appropriation.

Again, thank you, Representative Johnson for your work on behalf of our students.

Cheryl Guyett
Principal
