**Detailed Project Description and Justification:**

More than 75,000 Alaskans have asthma and it is one of the most rapidly increasing diseases in Alaska. The American Lung Association of Alaska has been a coordinating entity, dedicated to helping Alaska's Health Care providers, policymakers and Alaskans deal with the disease. The appropriation is important to the ongoing work on this critical public health issue in Alaska.

**Project Timeline:**

Expenditures are for FY09.

**Entity Responsible for the Ongoing Operation and Maintenance of this Project:**

American Lung Association of Alaska
